

LETTERS AWARDED TO FIVE PLAYERS

Wake Forest Ends Satisfactory Basketball Season—Practicing for Baseball.

(Special to The Times-Dispatch.)—Wake Forest, N. C., February 28.—With the game with the University of Virginia on Wednesday night, the basketball season came to a close. The season has been noted not so much for its brilliant record in number of games won, but for its wonderful record when it is considered what material there was the first of the season. With not a member of last year's team present, Coach Crozier, by excellent coaching, developed a quint of which the college may well feel proud. Under the new eligibility rules, the requirements for wearing the "W" only have been made much more stringent. Not a single substitute has been permitted. Hereafter there have been about nine men who won the letter for basketball service. The new requirements are that a man must play in half the games scheduled before he will be granted the privilege. W. C. Dowd, Jr., of Charlotte, made a regular place on the team, being the only student in the history of the college to have that honor. Others have been substituted, but Coach Crozier has been very liberal. Phil Utley, of Raleigh, who is captain of both the football and basketball teams of this year, made the team and is thereby the only student in college who has made three athletic teams. In the last four years there has been but one other student to accomplish that feat. Even now on the team with the exception of Captain W. R. Holding, of Wake Forest, and Phil Utley, of Raleigh, right guard, and Carey Dowd, of Charlotte, left guard, Sam Turner, of Wake Forest, who lacked one game of playing in half the games scheduled. G. M. Beam, R. H. McCutchen and B. L. Bule were the other substitutes.

More than forty men are practicing for the basketball team. It is impossible at this early date to get a line on the different players. The candidates for pitcher and catcher have been working for some time, and the prospects on that line are good. Utley, pointer, underwood, Smith and Parker and two left-handers, McClelland and Hood, are the candidates for pitchers. Working and Ulick, of last year's team, and Beasley, a freshman, are working for catcher. The prospects for the whole team look bright. Manager Tucker signs his first week to play A. M. in Raleigh on Easter Monday.

Preparing for Highlanders.—Athens, Ga., February 27.—Harry Lee, trainer of the New York American League Baseball Club, arrived in Athens to-day to prepare for the coming of the team. Manager Hal Chase, and the regulars, are scheduled to reach here on March 4. The schedule of games on their homeward trip the last week in March includes Atlanta, Cincinnati, Columbus, Indianapolis, Wilkesbarre and Scranton.

It sure does take some people an awfully long time to be convinced of the obvious.

Now there's that little matter of the Tidewater League. When the idea was first fathered in the enthusiastic brain of our mutual friend, Billy Hannan, every single soul who was even the tiniest bit acquainted with the laws which govern the National Association of Professional Baseball Leagues knew that the organization would be outlawed the moment it put a team in Norfolk or Portsmouth.

Not so some of the more earnest brethren. They spouted and fumed, and tugged and added, quoting this and that man to show that the organization would be perfectly legal and legitimate.

It do beat all how some folks will parade their ignorance so brazenly.

But, in the words of that eminent philosopher, Colonel Bill Skitt: "There ain't going to be no Tidewater League, nowhow."

The usual gathering was present yesterday at the park, but tools being absent, nothing was done but enjoy the fresh air.

Some one did manage to get hold of a ball which had seen better days many, many years ago, and a few were batted skyward so that Sweeney and Whittier could do a little chasing.

Bats and balls will be on hand to-day.

Sullivan spent Sunday walking to Seven Pines and back, which is some walk.

Baker and Pearce are expected in to-morrow. The club house has been put in shape for them. Hot water and everything else will be ready.

And Sullivan is glad. Yesterday he expected Walker and Revelle out at the park. Neither showed up. With the coming of Baker and Pearce he will have somebody to work out with every day.

Remember that to-morrow will be March 1, after which date all players without contracts will be free agents. Then watch for some things to happen.

Buck Hooker has no contract from Danville yet, and confidentially, he is not anxious to get one.

Frank Bieble has a Raleigh contract, which ties him to that club, but he remarked that he would not work there this season.

Stanley Bieble allowed that he thought he would retire, and he had made enough money out of baseball. That's what a boy who behaves himself usually can say.

Barfoot and Nelson worked out in good shape.

Note that A. H. Brady has been officially awarded by the National Association in its most recent bulletin. That ends everything, so far as Pitcher Brady and Richmond are concerned.

Burke, left fielder with the locals last year, was sent his release to-day.

Manager Stallings, of the Buffalo club, has written to Owner Bradley for a game here. It may be that Bradley will be given April 13. No other date is available.

Leo Wise, who was out at the ball park yesterday, sprung a joke about Willie McComas (Baker) being a long-lost brother of Carroll McComas, the actress, who is well known to local theatre-goers.

Watch out for something new from now on every day. Things will begin happening soon. First game with New York Americans, March 25, exactly twenty-five days hence.

Ed Handboe, well known in the Virginia League, has been given a berth on the umpire staff of President Christman, in the American Association.

Frank Chance is happy because Artie Hoffman has signed a contract. The heavy hitting fielder helps out the Cubs materially.

It looks as if the race in the National will be between the Giants, the Cubs and Pittsburgh.

Jesse Tannehill, who feels that he can come back, is going to Hot Springs with the Cincinnati Reds to get in condition. Here's hoping.

"Tom" Lanning, physical director at the University, has hit upon the novel

It, which came from behind, and in the stretch outgained Aymer, after a gruelling drive. Summaries:

First race—selling, two-year-olds, six furlongs—Bland (11 to 5) first, Arany (6 to 1) second, Senator Sparas (9 to 1) third. Time, 1:19 2-5. Terrible Boy, Sauce, Chief also ran.

Second race—purse \$100, three-year-olds, maidens, five furlongs—Stickpin (30 to 1) first, Creole (5 to 2) second, Emma Stuntz (4 to 5) third. Time, 1:01 4-5. Heatherblow, Ruby Knight, Knight Thought, Myrtle Marion, Song of Rocks, Gavotte, Allan Dale Queen, Rampant, Molly Ho also ran.

Third race—purse \$500, three-year-olds and up, six and a half furlongs—Malvor (3 to 1) first, Blitt Mouse (8 to 1) second, Ella Bryson, out third. Time, 1:21 4-5. La U Mexican, Mindindette, Eagle Bird, Patrick S. Premier, Idleweiss also ran.

Fourth race—purse \$600, handicap, three-year-olds and up, mile and a sixteenth—Rob B. (12 to 1) first, Voltare (15 to 1) second, Strike Out (13 to 5) third. Time, 1:08. Mon Am, Detroit, Hudas Sister, Camel, Lady Sybil, Congo Hughes, Tempter and Bat Masterson also ran.

Fifth race—purse \$400, four-year-olds and up, selling, mile and a sixteenth—Shadepale (8 to 5) first, Roseburg (12 to 1) second, Elizabethan (8 to 1) third. Time, 1:19. Campaigner, Don Diaz, Hibernica, Mique O'Brien, Radiation, Queen Marguerite, Royal Onyx also ran.

Wells Wins from Welch.

London, February 27.—Mott Wells won a twenty-round fight to-night against Welch, for the light-weight championship of Great Britain and the Lonsdale belt. The contest was held at the National Sporting Club, and the "big crowd" that witnessed the twenty rounds of fast work. Although the men appeared pretty evenly matched and there was no choice between the two, the fight was awarded to Wells on points.

Ready for Spring Practice.

Alexandria, La., February 27.—The first squad of the Cleveland American League baseball team arrived here to-day for spring practice.

BY GUS MALBERT.

Talking over the local baseball situation with Jimmie Sullivan is like taking a trip on the loop; start wherever you want and travel along what paths you will. It's a cinch but that you are going to get back to the fact that Richmond will have a winner. The downward-spiral staircase-water-fountain unrelenting vaporizing will dissipate in about thirteen seconds under the businesslike talk of James W. Sullivan, Esq.

Some of my intention to pen a panegyric upon the man, god, genius of Sullivan. He is a great big, husky sort of a fellow, and is able to take care of himself. "I am in Richmond because I liked the terms Owner Bradley agreed to, and now that I have accepted those terms I am going to give Richmond a winner, if I can." That's the way he talks, and he looks like he means it.

Sullivan a Hard Worker.

Some of my fellows who wrote the game, and who can tell a baseball player as far as you can see with a telescope, just take a few minutes off, go out to the ball park, and watch a real man work. You know it's a mighty good sign when you see a man doing just as much as he asks the men under him to do. Sullivan not only does as much as any of the youngsters on the lot, but he does more.

Like every man who ever made his living playing baseball, and made a success of the business, Sullivan is taking no chances this early in the season. He might get on the diamond, throw his arm off and make a few sensational stops for the delectation of the few knuckers who are on hand, but to find out how good a man he is, but to take advantage of everything he doesn't do. But Sullivan is not running a circus; he is at the business end of a baseball team which is out for a pennant.

Believes He Has a Winner.

Since the first day he scratched his name to a contract he has been working to get together a fast lot of youngsters who would at the much younger money bag which is being furnished them by the club. Sullivan has the country. The recruits are coming from every section, because Sullivan lent his ear to every one who could

plan of starting his runners from under a rope in order to get them to run low. It looks like a good idea.

Now that the back lots are filling with the youngsters, put it in your scrap book that spring has arrived.

Ad Volgaist and Knockout Brown will furnish the chief pugilistic event of the week, when they get together for a ten-round go in New York Friday night. Watch the fur fly if the fight is on the level, and there is little doubt that it will be. It is not for the reason that Brown has much to gain by winning.

Johnny Coulton can now lay absolute claim to the bantam championship since his clean-cut victory over Frankie Conley at New Orleans.

An overzealous inquirer wants to know in which direction a batter bats lacking on the subject, but the handbooks leave the impression that he bats it away from him.

COLLEGE AGREES TO DUAL MEET

Executive Committee Decides to Join Blues in Both Indoor and Outdoor Events.

At a meeting of the executive committee of the Athletic Association of Richmond College, held last night, it was decided to join hands with the Richmond Light Infantry Blues in the dual indoor track meet to be held in the Blues' Armory March 24, and also in the big open air meet to be held at the park April 12.

Final arrangements for the meet at a joint meeting between the athletic committee of the Blues and a committee from the college to be held to-night. No hitch in any of the arrangements is expected, as both the college and the military organization are heartily in favor of the move.

The indoor meet will doubtless prove a great success, as practically all of the local athletic organizations, the grammar schools and the prep. schools have signified their intention of taking part in the many events and in the relay races. An official list of the events will be published as soon as they are arranged.

Richardson Working on Blues.

Chairman Richardson, who is also acting as coach of the Blues track squad, is getting his men out daily and putting them around the boards. The work is beginning to tell and some speed is being developed. Coach Hagaman was not out at the college yesterday, but some of the boys jogged around the track, running the Maryland mile, and the Maryland four has not been defeated this year. Hagaman thinks his men can turn the trick.

have sent him his contract and know that he has received it because we have been so advised by the National Commission. I don't think that there is any cause for alarm because of the report, and I am positive that Dobson will be back with Richmond this season." COLLEGE B. B. SQUAD PRACTICING EVERY DAY

Captain Gill of the Richmond College basketball team and a few of the faithful were out on the campus yesterday afternoon getting in a little preliminary work. It will take a few days to get a line on all of the applicants for positions on the team. As a matter of fact, little will be done until after the arrival of Coach Long.

Captain Gill will be behind the men all of the time, however, drilling them in such work as will not tax their strength too much. All that is needed is a little more of the warm water which has prevailed for the past three stiffness incident to the early days of training. Prospects are bright for a winning team at college this year, as most of the men on last year's team are back. A good schedule has been arranged.

Owner Bradley Declares Star First Sacker Will Return to Richmond.

(Special to The Times-Dispatch.)—Vinston-Salem, N. C., February 27.—That local association has made a deal whereby five players of the Fayetteville pennant-winning team in the Eastern Carolina League will be transferred to the Winston-Salem team for coming season. These are Dobson, first baseman; Calvin, catcher; O'Halloran, second baseman; Mullins, center fielder; Shumaker, left fielder. Center fielders have been forwarded to all members of last year's local team, but it is known that only a few will be asked to return.

Owner Bradley, when shown the above, made the following statement: "So far as I know, neither Fayetteville nor Winston-Salem nor any one else, except the Richmond Club, has a particle of claim on the services of Dobson. He was bought outright last year from Fayetteville by Richmond, and belongs to us unreservedly. We
